OPEN LETTER

Ottawa
April 25, 2007

Honourable John G. Bryden
Senate of Canada
Room 463-S, Centre Block
Ottawa, Ontario
K1A 0A4

Dear Senator Bryden:

RE: OUTDOORS CAUCUS SUPPORTS BILL S-213

Thank you for your letter dated January 29, 2007 (copy attached for easy reference).

Yesterday, members of our non-partisan Parliamentary Outdoors Caucus met and voted unanimously to support your Bill S-213, an Act to amend the *Criminal Code* (cruelty to animals).

We join the dozens of organizations in Canada that support your legislative initiative to see the maximum penalties increased for animal cruelty offences.

We look forward to working with you to ensure your bill receives quick passage into law.

Sincerely,

Co-Chair Garry Breitkreuz, M.P.

Co-Chair Larry Bagnell, M.P.
