Contact these MPs

Here are the MPs who voted for C-391, and their fax info.

Please fax them to *strongly and politely* request that they support bill C-391, and let them know how wrong it is to whip a Private Member's Bill. (*Whipping a PMB is in direct violation of long-standing parliamentary tradition, and is a slap-in-the-face to our democratic process -- it requires MPs wilfully to ignore the wishes of their constituents.*)

Please note there are only eight Liberal MPs who are being whipped at this time -- we can still pass this bill.
